N.B Due to the unpredictable nature of a battery fire this document is provided as a guidance only.

While every reasonable effort is made to ensure that the information provided in this document is accurate**, no guarantees for the accuracy of information are made. AVD Fire's website and material data relating to information, products or services (or third party information, products and services) is provided 'as is'. It is provided without representation or endorsement and made without warranty of any kind, whether express or implied, including but not limited to the implied recommendations or warranties of satisfactory quality, performance or fitness for a particular purpose, non-infringement, compatibility, security or accuracy.

**AVD Fire's website and material data provided herein reflects typical indicative results of testing of products under controlled conditions, to provide the best information to allow end users, specifiers, installers, contractors, retailers and alike to determine the suitability of AVD Fires products for intended application.
